

For user:

To access the website and view product user must be logged in as a registered user.

The screenshot shows a web browser window with the URL `localhost/jewelleryforu/login.php`. The page has a navigation bar with links: [About Us](#), [Contact](#), [login](#), [Register](#), and [Help](#). The main content area is titled "Sign In Form" and contains two input fields: "username" and "Password". Below these fields is a "Sign in" button. Below the button, it says "Please Sign in OR" followed by a link to [Register](#). At the bottom of the page, there is a copyright notice: "Copyright © All right reservse to JewelleryForU".

If user is not registered then user can register in Register page.

The screenshot shows a web browser window with the URL `localhost/jewelleryforu/registrationform.php`. The page has a navigation bar with links: [About Us](#), [Contact](#), [login](#), [Register](#), and [Help](#). The main content area is titled "Registration Form" and contains a table with the following fields: "Username", "Password", "Age", "Email", "Address", "Country", and "Contact No". Each field has an input field next to it. The "Country" field has a dropdown menu with "Select" as the current selection. Below the table is a "Register" button. At the bottom of the page, there is a copyright notice: "Copyright © All right reservse to JewelleryForU".

After sign in user can view or buy product from 'product showcase' page. After choosing a product to buy, the product will add in 'View Cart' page for final confirmation. They can confirm or cancel product from their cart. The cart facilities also save products if they logged out or any accident from client side is occurred.

For admin:

To establish the whole system of the website about 'JewelryForU' he needs to run the setup.php file which will provide a single admin user with username and password. Admin can add or edit/delete product from 'Product Maintenance' page. He can also view or buy products as like as a general user. He can also approve the product to be delivered from 'Order View' page.
